	<div>A: Hey, Lily, what are you doing? L: Waiting for someone. A: You mean the boy you met on WeChat? L: You're right. He is so funny and I think I fall in love with him. A: You must be joking. You can't fall in love with someone you've never met! L: I know, but I keep thinking of him every day. And I get really depressed (沮丧的) when he's not online. A: I think you just have a crush on him. You can't be serious. L: Well, this might be silly. But I just can't get him off my mind. And I can't help missing him. A: Did you tell him? L: Yes. He said I'm his dream girl. A: You shouldn't take it too seriously. It might be a lie. L: I know. I can't tell whether he's serious or not so I need your advice. A: I think you should enlarge your circle of real-life friends, and then the right person will come along.</div>
